In honor of National Poetry Month, here is a poem made up entirely of actual quotes from George W. Bush. The quotes were arranged (for aesthetic purposes), by Washington Post writer Richard Thompson.

MAKE THE PIE HIGHER

by George W. Bush

I think we all agree, the past is over.
This is still a dangerous world.
It's a world of madmen and uncertainty
and potential mental losses.

Rarely is the question asked
Is our children learning?
Will the highways of the Internet
become more few?

How many hands have I shaken?
They underestimate me.
I am a pitbull on the pantleg of opportunity.
I know that the human being and the fish can coexist.

Families is where our nation finds hope, where
our wings take dream.
Put food on your family!
Knock down the tollbooth!
Vulcanize Society!
Make the pie higher! Make the pie higher!

SCOTS WHA HEY! HASH

(by Jen Glen, frae Dundee)

It was awfa hot the day we went to the hash and we could hardly believe how hot it got. Oor bro bent penis is an auld hand at this kind of stuff and he was awa and running before we kent what was gain on. Anyhow we couldna really be bothered wie aa the running and everything we just thought it was a drinking kinda thing.

My wee bro little bent penis liked Manhattan beach cos there was lots of tits there and although big bro bent penis couldna find the second beer thing he liked the scenary and the "sububran ambience". (whatever that means)

We were a wee tooty bit surprised at the constant mention of everything sexual and the general lack of appreciation that if you drink beer in the sun you can die but did think, well, when in LA. And we did get a wee bitty sunburn especially big bro bent penis who was looking awfa red at the end of the day, even thou he had factor 1490 on - but hey never mind.

Pengiun and myself were last, which was utterly fantastic and some idiot drunk beer from a shoe that a cat had pissed in so all in all it was a brae day.

L.A.CONTRASEXUAL!

(by Pete Sweet, frae Dundee)

Like my twin sis Jenny- jugs I felt slightly torn when leaving the sun, sea and sexy scenery of Manhattan Beach to go on the hash. We started at a playground and ran like kids outta school into the "wilderness" of the suburban beach-set that is called Hermosa.

Highlights included:

Bent penis freaking out at the lack of the second beer check! (entering and leaving many bars)

A lady skater with thong like bonkini nearly taking my eyes out !

Getting an invite to join a "memorial" day family party!

Discussing the American/Scottish education system with "Summer" whilst trying to work out if she was single!

Getting to the doon-doons and hoping that I would have film in my camera for the live sex!

Being understood by my fellow English-speaking peers.....after a few beers!

All in all it was a very REAL Experience ...I even smoked a ciggie with someone who makes films and some bloke who cannot get layed after a car crash with loads of bucks in korea??? Good fun but still not the same as snogging awbody in sight during Hogmanay in Scotland whilst peeing freely into the crowd!!!
thanks,y,all

LOS ANGELES HASH HOUSE HARRIERS

Present

The 2nd Annual Last Purple Armadillo Run

Run #1073

Monday July 16, 6:30 PM
Highland Park (New Location)
TG 595-D3

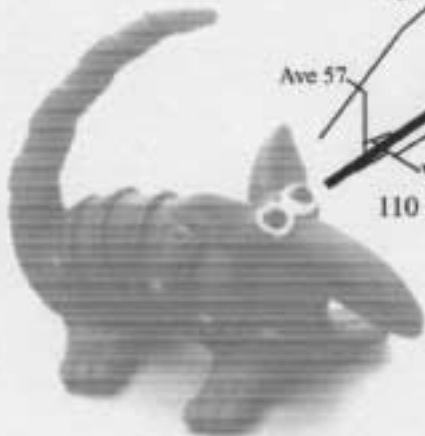

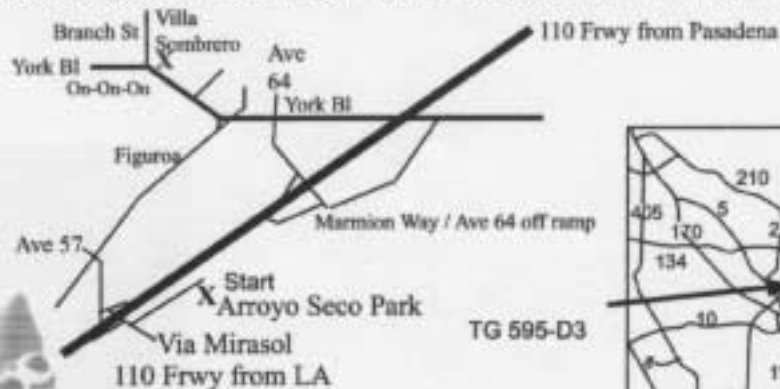

New Management

Hares: **Stalker Gump, Slippery Mons, Hozer and V8**

- * Special contest prizes by Slippery to those wearing Purple underwear, attire or Armadillos. Purple attire suggested (you don't want to stand out in the crowd and look too stupid do you?)
- * Purple Armadillo check - it looks like Cool-Aid, tastes like Cool-Aid and really hits the spot after running the first 10 miles in the afternoon heat. But if you have more than one your eyes will cross and every mark will look like a check. The least you can do is stay on trail the first half and sample one. Armadillo check hanging is a tradition, and for the pack to regroup.
- * Mega-checks, Turkey Eagle Splits, Falses, Circle Jerks, Stairs, Sex and all kinds of dirty tricks to keep the Couch Potatoes ahead of the FRB's. Remember Rule #1!
- * On On On at Villa Sombrero, NE corner York Blvd and Branch st - easy getting back home on the 110 freeway via York Blvd. Great Mexican food and big variety of beers, wine and margaritas. Order food before 9:30 PM you keg hangers or go hungry.

Directions: (a mile SW of the last 5 runz) From LA, go East on the Pasadena 110 Freeway and get off on Via Mirasol. Turn right then a quick left into Arroyo Seco Park. From the 210/134 go South on Orange Grove to the Pasadena Freeway west toward LA. Get off on Via Mirasol (the shortest off ramp on any freeway) and make a left to go over the bridge. Take a left just over the bridge and into Arroyo Seco Park.

The Purple Armadillo Lives Again!
