

LONG BEACH HASH HOUSE HARRIERS PRESENT...

Found'er Balls XXVII

Saturday February 11th, 2012

Information Central:

OK here's the poop. The Venue is Port Town Hall at 812 Pacific Avenue in San Pedro. Park in back and enter through the tradesman's door. Pre-lube begins at the venue at 5pm, unless you want to be there early and get roped into decorating something.

Pace yourself because we will go until 1am!

You get hash beer all night, dinner, dancing to BOTH the Hash Band and Painted Toes, AND you can bring in the liquor of your choice without breaking the law. Oh, AND the annual awards and announcement of the new board.

We are too good to you!

Hash Central is the Sunrise Hotel at 525 South Harbor Blvd, San Pedro - 800 356 9609. There's no hashpitality suite this year, and you are going to be so happy about that when you get back at 2am, we should charge you extra. Use group number 234057 for an \$85 rate, ask for Sean and book before 1/21 if you know what's good for you.

JUST ME, OR DOES THIS GUY LOOK LIKE MR RAT'S ASS?
